## ABOUT US

Brilliant ideas are mostly conceived when one is relaxed and comfortable. The inspiration for these ideas could be anything from a piece of beautiful artwork, an exquisite painting, an attractive piece of flooring or even an elegant sink or faucet! We at Alliance Prestige Pvt Ltd aspire to be a part of that inspiration! Our range of sanitary ware and designer tiles are an artwork in the making and they are elegant, sustainable, technologically driven and resource friendly!

ceramic glaze

## OUR JOURNEY

Our parent company, The Alliance Group, has been a leading company for over 7 years providing state-of-the-art construction building material and medical safety equipment to UAE, KSA, Kuwait Oman and South Africa. We are an ISO 9001:2015 and OHSAS 18001:2007 certified company. We are proud to be associated with some of the most prestigious clients like the Arabian Construction company, Emirates Global Aluminium, RAQ and Earthmovers International. Having established our presence in the construction and medical safety equipment space, we are now extremely excited to enter the sanitary ware, tiles and designer tiles space and rewrite our success story.

Our exposure to the international markets during our incredible journey of seven years has helped us understand the evolving need for sanitary ware products and designer tiles that are sustainable, innovative, intelligently designed and elegant! Comfort is a very essential aspect of any space and more so in the bathroom. After all, it is that space which gives an individual the privacy to unwind and relax. Similarly, the flooring is an integral part of any building. Let us help you make a style statement with our exquisite range of designer tiles!
